A must to avoid!

These people give me wrong legal advice and then they wanted me to go door to door to sign up all my neighbors so they and I could buy memberships in their group.

When I called up my city councillor I found out they are paid \$1/2 a million a year by the city to provide legal advice and organize tenants though they don't have a single lawyer in their employ!

I would avoid these creeps at all costs and go directly to the tenant advice line of the Ontario government's Landlord and Tenant Board www.ltb.gov.on.ca 416-645-8080 for any help.
